

## Auto Technician/Mechanic - Immediate Opening (Tacoma)

compensation: **DOE**

employment type: **full-time**

We have an immediate opening for an Automotive Technician. Is this you?

We are regarded as a high quality maintenance and repair facility and we expect high quality from our employees to assure that our customers get the best value and the best results. We are looking for a Technician that is Confident, Professional and Ethical. We need someone that cares about the quality of work that is turned out and would be proud to sign their name to the specific diagnosis and repair.

Min 2 – 5 years' experience in automotive repair/maintenance service

Must have own tools

Familiarity with automotive repair equipment (lifts, jacks, air tools, etc.)

Understanding of vehicle maintenance needs

Verifiable references/work history

Valid driver's license

Clean driving record

Desire to work in a team environment

Desire to learn more about automotive repair and potentially advance

The following items will help in gaining employment with this business:

ASE Certifications: Some Current ASE Certifications - The more the better

Emission Certification with the State of Washington

Formal and Verifiable Automotive Repair Training or other

Certifications (in addition to ASE Certs) is a large advantage

Ability to use computerized alignment equipment efficiently is an advantage

Self Motivated, Positive Attitude and Common Sense Thinker

Previous recent employment with Automotive Dealer or Quality Retailer is an advantage for the applicant

We offer many benefits to the right individual. These will be discussed in an interview

Monday through Friday Hours - Vacation and Holidays are paid

High earnings potential for the right individual
